### NU-CAT SENIOR

- **Nu-Cat Senior** is specifically formulated for geriatric cats. It is a comprehensive formula that supports cardiovascular, liver, cognitive, eye, joint, and digestive functions.
- **This Formula Includes:**
  - ☐ Taurine to support heart, liver and brain function.
  - ☐ EPA, Phosphatidylserine, L-Tyrosine, and L-Glutamine to support brain and nerve function.
  - ☐ DMG, CoQ10 and Grape Seed Extract to support cardiovascular health.
  - ☐ Milk Thistle Extract to support liver function.
  - ☐ Bilberry Extract to support circulation, collagen production, and eye function.
  - ☐ New Zealand Green Mussel to support joint health.
- **Nu-Cat Senior** is the only formula to provide such a complete range of vital ingredients essential to the health of aging cats.
- Palatable fish flavored chewable tablet.
- **Directions For Use:**  
**Chewable Tablets:**  
Give 4 tablets daily, divided between AM and PM.
- **Nu-Cat Senior Chewable Tablets**  
0900509.100 (100 Tablets)  
0900509.240 (240 Tablets)

<b>NU-CAT SENIOR</b>	
<b>Active Ingredients Per 4 Tablets:</b>	
L-Taurine	200 mg
New Zealand Green Mussel (GlycOmega™ brand)	100 mg
Calcium (as Calcium Carbonate)	50 mg
Ascorbic Acid (Vitamin C)	30 mg
Linoleic Acid	25 mg
Phosphorus (as Phosphorus Amino Acid Chelate)	25 mg
N,N-Dimethylglycine HCl (DMG)	15 mg
Betaine HCl	10 mg
Methionine	10 mg
Gamma Linolenic Acid	10 mg
L-Glutamine	10 mg
Milk Thistle Extract	10 mg
Bilberry Extract	7 mg
Choline (as Bitartrate)	5 mg
Coenzyme Q10	5 mg
Cystine	5 mg
D-Pantothenic Acid (as Dicalcium Pantothenate)	5 mg
Lecithin	5 mg
L-Tyrosine	5 mg
Niacinamide (Vitamin B3)	5 mg
Lipase Enzymes (Enteric Coated)	5 mg
Proanthocyanidins (from Grape Seed Extract)	4.75 mg
Pepsin (Enteric Coated)	3 mg
Papain (Enteric Coated)	3 mg
Bromelain (Enteric Coated)	3 mg
Protease (Enteric Coated)	3 mg
Eicosapentaenoic Acid (EPA)	3 mg
Phosphatidylserine	3 mg
Inositol	2 mg
Para-aminobenzoic Acid (PABA)	2 mg
Pyridoxine (Vitamin B6)	2 mg
Riboflavin (Vitamin B2)	2 mg
Thiamine (Vitamin B1)	2 mg
Magnesium (as Magnesium Citrate)	1.5 mg
Iron (as Iron Peptonate)	1.5 mg
Zinc (as Zinc Gluconate)	1 mg
Potassium (as Potassium Citrate)	0.25 mg
Iodine (from Kelp)	0.040 mg
Copper (as Copper Gluconate)	0.030 mg
Folic Acid	0.002 mg
Cyanocobalamin (Vitamin B12)	0.002 mg
Chromium (as Chromium Picolinate)	0.0035 mg
Selenium (as Sodium Selenite)	0.0035 mg
Biotin	0.002 mg
Retinyl Acetate (Vitamin A)	900 IU
Cholecalciferol (Vitamin D3)	20 IU
d-alpha Tocopheryl Acetate (Vitamin E)	5 IU
<b>Inactive Ingredients:</b> cellulose, fish flavor, silicon dioxide, stearic acid, vegetable stearate.
