VETRI-MEGA PROBIOTIC

- **Vetri-Mega Probiotic** is a non-dairy probiotic formulation produced from an all-natural source of beneficial microorganisms and FOS to support digestive tract health.
- **Vetri-Mega Probiotic is:**
 - Guaranteed to contain 5 billion microorganisms per capsule with 8 different strains from non-dairy sources!
- **Recommended For:**
 - Gastrointestinal, immunological and neurological support
 - Food intolerances
 - Normalizing digestion
 - Supporting regularity
 - Poor diet

VETRI-MEGA PROBIOTIC FOR DOGS AND CATS

Guaranteed Analysis:

Moisture (max) 6.0%	
*Total Microorganisms	10 Billion CFU/gram
Lactobacillus acidophilus	
Lactobacillus plantarum	
Bifidobacterium bifidum	
Lactobacillus casei	
Lactobacillus brevis	
Bifidobacterium longum	
Streptococcus thermophilus	

*Not recognized as an essential nutrient by the AAFCO Dog Food Nutrient Profiles.

Ingredients: fructooligosaccharides, rice flour, vegetable cellulose, Lactobacillus acidophilus, Lactobacillus plantarum, Bifidobacterium bifidum, Lactobacillus casei, Lactobacillus brevis, Bifidobacterium longum, Streptococcus thermophilus.

About the Formula

- **Lactobacilli** (*L. acidophilus*, *L. rhamnosus*, *L. casei*) are located in the small intestine and produce lactic acid. Many strains of bacteria from the *Lactobacillus* family have been shown to promote regularity, urogenital and vaginal health as well as produce the lactase enzyme and protect the gut lining from unwanted materials.
- **Bifidobacteria** (*B. lactis*, *B. breve*, *B. longum*, *B. bifidum*) are located in the colon and produce lactic and acetic acids, making the gut a very inhospitable place for unwanted materials. Bifidobacteria have been shown to promote regularity.
- **Streptococcus thermophilus** is also a lactic acid producer which lines the gut wall to provide a barrier from unwanted materials, promotes regularity, and produces the lactase enzyme.
- **Fructooligosaccharides** (FOS) are considered a soluble fiber and pre-biotic, which supports the growth of beneficial microorganisms in the intestinal tract.* FOS, as a fiber, increases the bulk in the gut to promote regularity.
- **Feeding Directions:**
 - For Dogs:**
Give 1 capsule (1 capsule = approximately 500 mg which is equivalent to 5 Billion CFU/Capsule) daily to dogs up to 40 lbs and 2 capsules daily to dogs over 40 lbs, preferably after a meal.
 - For Cats:**
Give 1/2 capsule daily mixed with food.
- **Vetri-Mega Probiotic**
