VETRI-PROBIOTIC BD™

- **Vetri-Probiotic BD™** is a synergistic group of ingredients formulated to support the proper structure of the G. I. tract in dogs whose digestive and bowel functions are affected by food sensitivities or infiltration of unwanted bacteria.
- **Vetri-Probiotic BD™** is designed to soothe the digestive tract lining and provide ingredients that support proper immune function and microbial balance.
- **Vetri-Probiotic BD™ Supports:**
 - Normal bowel defense
 - Proper digestion
 - Gas reduction
- **Vetri-Probiotic BD™ Provides Ingredients that:**
 - Support beneficial flora growth
 - Support structure and function of the digestive tract
 - Support intestinal villi
 - Provide building blocks for the mucosal lining
 - Promote regularity
 - Help settle the stomach
- **Important Ingredients include:**
 - N-Acetyl Glucosamine to support the integrity of the mucosal lining.
 - FOS to support the growth of lactic acid bacteria and reduce intestinal stress.
 - L-Glutamine to fuel intestinal cells and maintain villi.
 - Arabinogalactan Powder to support the immune system and regularity.
 - Probiotic Blend to support normal intestinal flora.
 - Digestive Enzymes for proper digestion and to reduce gas.
 - Ginger to help settle the stomach.
- **Vetri-Probiotic BD™** is a highly palatable chewable, chicken liver flavored tablet.
- **Directions For Use:**

Initial (4 weeks):
Dogs under 12 lbs: 1 tablet daily.
Dogs: 2 tablets per 25 lbs of body weight, daily.

Maintenance:
Dogs under 12 lbs: 1/2 tablet daily.
Dogs: 1 tablet per 25 lbs of body weight, daily.
- **Vetri-Probiotic BD™**
