Directions for Use:

Wipe the pre-moistened towelette on the pet's fur, including legs and stomach, then work into the coat if necessary. Depending on the thickness, type, and length of fur more than one wipe may be required to get the product through the entire coat. Avoid contact with the animal's nose, mouth and eyes when applying on the animal's face. Reapply every 2 – 3 days or as needed before the animal goes outside. Reapply whenever the animal is thoroughly wet. Safe for daily use, if desired.

Safe for use on puppies, kittens and foals.
Keep wipe pack lid closed when not in use.
